Thanks to both of you. Natalia, if you can send them via the Region 3 pouch to Chris at HQ, and they are delivered by Tuesday, we can just hand one to Don Patterson at the Tuesday, June 21 meeting.

Excellent! Thank you.

If possible, can you send me 3 DVD copies of the video for HQ, ERG, and MarkWest (they can provide it to CAE) to my address listed in my signature below. I will make sure that a copy gets to the correct person/organization through official channels.

Additionally, send a copy to Kosta (R5) at:

I recorded the sampling protocol at the Drugmand Site and burn the video to a couple of DVDs. Clean Air, MarkWest contractors, asked if EPA could share the video with them. I do not know who sends the video. Also I can send the video to HQ, Region 5 and ERG.
